In the event the term of this agreement expires and the vessel/unit remains at the MARINA without the execution of a new Agreement, then the parties hereby agree that this Agreement shall be considered as being in full force with the one exception being that the new rate will be the prevailing transient dockage rate, plus tax. For month to month (M2M) rentals, at least a (30) day notice is required prior to ending this agreement. **Less than (30) days notice will result in a deduction from the security deposit for the prorated amount to complete the 30 day notice.**

Any sums which are due to the OWNER at the termination of this agreement shall be returned to the OWNER within 60 days of termination of this Agreement; provided that the MARINA may apply any sums which its hold on behalf of the OWNER to any balance remaining on the OWNER's account. **For month to month (M2M) rentals, at least a (30) day notice is required prior to ending this agreement. Less than (30) days notice will result in a deduction from the security deposit for the prorated amount to complete the 30 day notice.**

**LIMITATION OF RIGHTS:** This Agreement grants the OWNER only a license to use the specified space and nonexclusive access to piers, docks, sidewalks, parking and other common areas of MARINA that are reasonably necessary to use the specified space. Notwithstanding anything in this Lease to the contrary, reference to Marina elsewhere in this Lease will not be construed to grant OWNER any rights to other areas of MARINA, other than as expressly set forth above.

**MANATEE CREEK:** **NO WAKE PLEASE!** OWNERS will be responsible for damage caused by the vessel's wake.

**MEASUREMENT OF BOAT:** Rates for License Agreement are based on overall length of vessel or unit (LOA), measured from tip to tip. Your vessel will be measured upon arrival and the rate will be adjusted within thirty days of your arrival.

**MUSIC / NOISE:** Please be considerate of others at the marina as not everyone likes the same type of music. Should your vehicle be found to be blocking any of the aforementioned areas and you are not found on site to move it, your vehicle will be towed at your expense. MARINA may limit all parking spaces and does not warrant availability of parking.

PESTS: OWNER acknowledges that the MARINA is located within a habitat that is susceptible to attracting ants, iguanas, roaches, spiders, termites, and other pests and that such pests may cause damage to vessel and items located in and around the vessel. The OWNER acknowledges the MARINA is not responsible or will be held liable for any damages to OWNER'S vessel, trailer, or items located in, on or around the vessel or to the OWNER'S personal property located at the MARINA caused directly or indirectly by pests.

RAMP USAGE: Ramp usage is for tenant use only and for the boat listed on the license agreement. Ramp may be available to the general public for an additional fee. Management may be contacted for arrangements and is subject to availability of space. As a courtesy to fellow tenants on marina property, it is requested that all noise during launch/pull be kept at a minimum. Owners are not to leave any boats, dinghys, kayaks, etc. in ramp area.

RELOCATION: The MARINA reserves the right to move or have towed, any vessel and/or trailer at any time, at the OWNERS' expense, if the rights and privileges of other members and guests are being disrupted or OWNER'S license agreement is past due more than 30-days.

REMOVAL: We ask as a courtesy, if you should remove you vessel temporarily from the marina for any reason, please send let us know by email, phone call, text or in person. We frequently check all vessel's throughout the day and should we find it missing and not know about it, we are immediately concerned. A notification from the OWNER will prevent a premature report to law enforcement.

REPAIRS: This is NOT a full service marina. Improving and beautifying the property is one of our priorities at this time. Major repairs of such extent and nature as are normally performed at boyard facilities, including but not limited to rebuilding or replacing engines and sanding, painting, or refinishing of any portion of the vessel, shall not be performed at or near the slip or MARINA. That being said, select service repairs performed on site and/or vessel may be authorized with prior management approval. The extent of repairs and maintenance permitted is at the sole discretion of the MARINA. If an outside contractor is to perform work on your boat, the following conditions must be met or the contractor will not be allowed access:

- a) Boat owner must notify MARINA in advance, with the date, nature of work, estimated length of repairs, and name of who will perform work.
- b) Contractors must stop at office upon arrival and check in. Violators will be considered trespassers.

TRANSIENT LIVEABOARDS: OWNER who remains aboard vessel docked at wet slips will pay the transient rate for that particular month. All extended stays must have prior approval from MARINA. Owners will not sublet, nor does OWNER have the authority to allow the slip/storage space assigned to be used by any other person but the OWNER and above referenced vessel. The vessel must be operational, kept in ship-shape order and in seaworthy condition.

All live-aboard vessels are required to have U.S. Coast Guard approved toilet and sewage containment systems designed to retain all sewage on board until the wastes can be discharged in the sanitary sewage pump out system or otherwise legally discharged. All sewage systems must be operational, and all through-hull valves shall be properly sealed/locked to prevent dumping overboard while in port. Please use our bathroom facilities while docked at the MARINA. All live-aboard vessels must maintain and submit pump out logs upon request.

OWNER'S LIABILITY FOR DAMAGE TO MARINA: In addition to all of the other liability and obligations of OWNER to MARINA set forth above and hereafter. OWNER agrees to pay to MARINA any and all damages suffered by MARINA as a result of any damage caused to MARINA and/or Slip by OWNER, OWNER'S GUESTS or OWNERS VESSEL, including, but not limited to damage to docks, pilings, bulkhead, utility lines, and any other real or personal property in which MARINA has an interest. As used herein, damages include all damages which MARINA may suffer including, but not limited to, property damage, business interruption damage, personal injury, and any other damages, including incidental and consequential damages, be they direct or indirect and regardless of whether the damage is aggravated or incurred in whole or in part by the negligence of MARINA or its agents, representatives, employees, subcontractors, invitees, partners, or any other person, firm, or entity.

TERMINATION: The MARINA reserves the right to evict without prior notice anyone who in its judgment creates a disturbance, is a nuisance, or deliberately violates the rules set forth in this Agreement, including a lapse of insurance. No refund of fees or security deposit will be made in the event of such an eviction.

VESSEL USAGE: The OWNER shall provide the MARINA with written permission for other person's use of the aforementioned vessel or unit should OWNER not be present.

WATER USAGE / WASHING BOAT: NORTH PROPERTY: Water usage is available on MARINA property and in a designated area. **The designated area at this time is the concrete launch pad.** Owners should bring their own hose and nozzle for their own personal use which should be stored away after use. Water conservation is important and appropriate action on behalf of OWNER must be made to ensure water is not left on by shutting off the faucet. Water use will be closely monitored by management. All leaks and/or other issues observed must be brought to management's immediate attention. Violation of this paragraph may result in additional charges and/or water usage privileges revoked.

The Department of Environmental Protection would prefer boaters avoid using detergents. However, if the boater must use a cleaning product it should be non-toxic and biodegradable, and should not cause foaming in the water. All OWNERS must adhere to our Waterway Cleanliness rules found below.

**WATERWAY CLEANLINESS:** The MARINA is a **NO DISCHARGE ZONE**. OWNER agrees to comply with State and Federal laws and regulations concerning stowage and disposal of sewage. No discharge or discarding of materials of any sort (other than clean, oil-free water) is permitted into the waters of the MARINA. OWNER and guests are encouraged to use marina bathroom facilities in lieu of on-board toilet facilities when at dockside. The OWNER shall be responsible for pumping out their holding tanks and shall maintain their bilges in clean condition. In the event of a discharge or spill caused by the OWNER, the OWNER shall be liable for and shall indemnify the MARINA for any cleanup costs, and for any fines or penalties, and the Marina may assess an additional fine of up to two thousand dollars (\$2,000.00). Please caution guests, particularly children of this rule.

WET SLIP RENTAL: The rental charge is based on the length of the vessel or the length of the slip, whichever is greater. Slips are intended to be used by a single vessel. The slip occupancy policy shall be a vessel length of 5 feet less than the slip length to 5 feet over the slip length.
